The Monkey  
I said Yeah  
Monkey  
Now three little monkeys sat on a coconut tree  
Discussing things has they are said to be  
Said one to the other, now listen you two  
There is a certain rumour that can't be true  
That man descended from our noble race  
The funny idea is a big disgrace  
No monkey ever deserted his wife  
Nor her baby and ruin her life  
I said yeah... Monkey speaks his mind  
And another thing you will never see  
A monkey build a fence around a coconut tree  
And let all the coconuts go to waist  
Forbidding all other monkeys to come and taste  
Now if i build a fence around this tree  
Starvation will cause you to steal from me  
I said Yea... the monkey speaks his mind  
Here is another thing a monkey wont do  
Go out at night and get on a stew  
Or use a gun a club or a knife  
To take another monkey's life  
Yes man descended the worthless bum  
But my god brothers from us he did not come  
Yeah... The monkey speaks his mind
