Cock in my pocket, just won't stop shacking now  
Makes me look in to the left, look in to the right  
Here comes a little beauty  
Stars are twinklin' in here eyes  
She said that's everything's alright  
You're lookin' for a pretty girl  
I'm lookin' for an handsome guy  
Now, so give a try  
Change your love that never die  
My baby, baby, baby, baby you're mine  
My baby, baby, baby, baby you're mine

Never tell your momma what we've been doing  
together  
Gonna tell your momma I've been with you like a  
brother  
Tell her she can come see me too but if she ever feelin'  
blue  
Now, so give a try  
Change your love that never die  
My baby, baby, baby, baby you're mine  
My baby, baby, baby, baby you're mine  
Now when I'm scared and all alone, I've got you on the  
telephone  
I said, "I do"  
My baby, baby, baby, baby you're mine  
In a room  
She said, said, "Goodnight, tonight?"

Now, so give a try

My baby, baby, baby, baby you're mine  
My baby, baby, baby, baby you're mine  
Now when I'm scared and all alone, I've got you on the  
telephone  
I said, "I do"  
My baby, baby, baby, baby you're mine  
My baby, baby, baby, baby you're mine  
My baby, baby, baby, baby you're mine  
My baby, baby, baby, baby you're mine  
My baby, baby, baby, baby you're mine

My baby, baby, baby, baby you're mine
