Bring the fire
Bring the fire
Bring the fire
Bring the fire

You got no brains
You got no soul
Behind your eyes there's a big wall
You got no brains
You got no soul
Behind your eyes there's a big wall
I'm climbing on the wall just to get in touch with you
I'm climbing on the wall just to get in touch with you
What am I gonna do?

Bring the fire
Bring the fire
Bring the fire
Bring the fire

Your mind is cold
Your heart is bold
Behind your eyes there's a big wall
Your mind is cold
Your heart is bold
Behind your eyes there's a big wall
I'm climbing on the wall just to get in touch with you
I'm climbing on the wall just to get in touch with you
What am I gonna do?

Bring the fire (Bring the fire)
Bring the fire (What am I gonna do?)
Bring the fire

Bring the fire
Your mind is cold
Your heart is bold

Behind your eyes there's a big wall
You got no brains
You got no soul
Behind your eyes there's a big wall
I'm climbing on the wall just to get in touch with you
I'm climbing on the wall just to get in touch with you
There's nothin' that I wouldn't do to get in touch with
you

There's nothin' that I wouldn't do to get in touch with
you
What am I gonna do?
Bring the fire
Bring the fire (What am I gonna do?)
Bring the fire
Bring the fire

Bring the fire

Bring the fire

Bring the fire
Bring the fire
Bring the fire
Bring the fire (What am I gonna do?)
You got no brains
You got no soul
Behind your eyes there's a big wall
You got no brains
You got no soul
Behind your eyes there's a big wall
I'm climbing on the wall just to get in touch
I'm climbing on the wall just to get in touch
'Cause there's nothin' that I wouldn't do to get in touch
with you
There's nothin' that I wouldn't do to get in touch
Bring the fire (Bring the fire)
Bring the fire
It's been a long, long night (Get in touch)
Walking by the south port side (Get in touch)
I've got a big, big desire (Bring the fire)
I want the world set on fire (Bring the fire)
Last time I saw the light (Bring the fire)
Was just a little lovelight shine
And it was burnin' down your eyes (Bring)
So unsteady it drives me blind
Bring the fire
Bring the fire
Bring the fire
Bring the fire (Bring)
Bring the fire
Bring the fire (Bring)
Bring the fire
Bring the fire
