You ready?

Now break it

Shoot

There's a place in the city, just down by the river, all the
rats went crazy

Got fangs made of silver

Killin' rats

They're cruisin' downtown

Their eyes full of anger

If they can't hurt you, they will find another

Killin' rats

They shot down your father

They spit on your mother

Rape brownie girls, girls

They slaughter your brother

Killin' rats

Killin' rats

Break it

Those rats need a scratch like that

Those rats need a scratch like that

Shit

All you real cool cats put yourself together

Got them back to their swamp before they make you
surrender

Killin' rats

Old cats they quiver 'cause it makes them remember
about a long time ago when they fought rats father

Killin' rats

Was a rat called Hitler, set the world on fire

This is no fare game

They wanna do it again
Killin' rats
Killin' rats

Those rats need a scratch like that (Rats)

Those rats need a scratch like that (Rats)

Those rats need a scratch like that (Bats)

I need a scratch
