She was slidin' on the edge  
She was ready to fall down  
Carryin on her sledge enough booze put ten truckers  
down

And she went down, down on a smutty dance  
And the uptown crowd said, "It's an offence (Offence)  
to any human dance"

Dancin' on the lonesome bop  
Got a broken heart  
Once dancin' on the lonesome bop

When the music stop she kept on doin the rock  
Boss said "It's time to go"  
She started dancin' like a coco

She was crawlin' on the floor when the joint closed  
doors  
They left her lyin' in the street  
Heart didn't beat anymore

Dancin' on the lonesome bop  
Got a broken heart  
Once dancin' on the lonesome bop
