I love your lips
And I love your legs
I love your eyes
Baby, you got style

I love your clothes
And I love your smile
I love you, I love you, I love you while
You don't even look at me and I go crazy

For all the women
That I never had
I sing my song
Of love and hate

I hate the boys
Walkin' by your side
I hate my dreams
They're not satisfied

I hate me, babe
For being too shy
I hate you, I hate you, I hate you while
You don't even look at me and I go crazy

For all the women
That I never had
I sing my song
Of love and hate

You neighbour's sweetheart
You magazine girl
You striptease bird
From the underworld

You sweet sixteen
You little dame
You late thirties
Sweet Japanese

Ornella Muti
Si jolie mademoiselle

Vous etes ma folie
Vous etes si belles

For all the women
That I never had
I sing my song
Of love and hate

For all the women
That I never had
I sing my song

I love your body
Baby, you got style
You fly so high
When you're passin' by

It makes me laugh
And it makes me cry
Makes me want to die
When there's no reason why

For all the women
That I never had
I sing my song
Of love and hate

For all the women
That I never had
I sing my song
Of love and hate

For all the women
That I never had
I sing my song

For all the women
That I never had
I sing my song
Sing my song
