You are walkin' by
I see a tinkle in your eyes
And I wonder why
Are you satisfied?

All that you can say
Is "How are you today"?
When I say "I'm fine"
You smile and walk on by

Chorus
Hey, hey, hey shy girl
Why are you hidin' girl?
Is it this freightin' world?
I can't understand

Shy girl
Why are you hidin' girl?
I'll show you my world
Come on take my hand

This little words you've said
Came smoothly through your lips
Every time when I'll remember
It feels like a tender kiss

And when you're passin' by
Oh! it seems like miles
And I wonder why
If I can cross that line

Bridge
When you come with me
I'll show you anything you need
I am waiting for a sign
