Improving our abilities for a better way of life.

These are the little children
the future in our hands
When all God's children on this earth inherit all our
plans.
These are the lies they tell us

but this is the only way
When all God's children on the earth will never more be

These are the little children
the future's in their hands
When all God's children on this earth inherit all our

These are the lies they tell us the future's good as sold

In all the things we do and say we really must be hold.
