Talk to me  
don't lie to me  
save your breath.  
Don't look at me  
don't smile at me  
just close your eyes.  
I was so impressed by you  
I was running blind

I would fall for every trick  
every twist of mind.

Heaven is cold without any soul

It's hard to believe  
I was so in love with you.

Don't say your prayers  
don't build your hopes

just walk away.  
Don't phone me up  
don't call around  
don't waste your time.  
You were so in awe of me  
you were so divine

You would do just anything to still be mine.  
Heaven is cold without any soul  
...

All the things you said to me  
I was so obsessed.  
You were always talking  
talking  
God  
I did my best!  
Heaven is cold without any soul  
...  
I was so in love with you.  
Heaven is cold without any soul  
...

I was so in love with you.  
Heaven is cold without any soul  
...  
I was so in love. I was so in love

I was so in love with you.
