I've got a telegraph in my hand  
words on paper written in sand.  
We've got telegraph right acrosss this land.  
It doesn't mean a damn thing

We don't understand

But who needs telegraph -  
Anyway?  
I've got a telegraph in my hand

Words on paper written in sand.  
We've got telegraph

Right across this land.  
It doesn't mean a damn thing

We don't understand.

God's got a telegraph on his side. -  
It makes him powerful  
gives him pride. -  
Even in America they understand -  
The value of the telegraph hand in hand.
