Battle hymns did sound the call.  
You came to our side.  
You heard true metal-into glory  
Ride.

You stood beside us the false ones  
Cried.-Your love is judgment.  
You gave us life.

You wait in the rain-you walk  
Through the snow.We give you  
Our blood.We want you to know.  
In our eyes you emmortal-  
In our hearts you'll live forever-  
In our eyes you emmortal-  
In our hearts you'll live forever.

We have read your letters-  
We have heard your call.  
We were brought together-  
Cause we've got the balls-  
To play the loudest metal.  
So hard and so wild and mean.-  
You'll live forever we were  
Born from your belief.

Metal makes us strong  
Together we belong forever-  
Here's your song we want you to  
Know  
In our eyes you emmortal-  
In our hearts you'll live forever-  
In our eyes you emmortal-  
In our hearts you'll live forevermore.

Metal makes us strong  
Together we belong forever-  
Here's your song we want you to  
Know  
In our eyes you emmortal-  
In our hearts you'll live forever-  
In our eyes you emmortal-

In our hearts you'll live forevermore.
