From a battle I've come
To a battle I ride
Blazing up to the sky
Chains of fate
Hold a firey stride
I'll see you again when I die

High and mighty alone we are kings
Whirlwinds of fire we ride
Providence brought us the
crown and the ring
Covered with blood and our pride

Heroes await me
My enemies ride fast
Knowing not this ride's their last
Saddle my horse as I drink my last ale
Bow string and steel will prevail

High and mighty alone we are kings
Whirlwinds of fire we ride
Providence brought us the
crown and the ring
Covered with blood and our pride

Odin I await thee
Your true son am I
I hail you now as I die
I pledge you my sword and
to no man I kneel
Ours is the kingdom of steel

High and mighty alone we are kings
Whirlwinds of fire we ride
Providence brought us the
crown and the ring
Covered with blood and our pride

"Kingdom Come"

See the white light
The light within

Be your own disciple
Fan the sparks of will
For all of us waiting
Our kingdom has come

Rays of power shining
Rays of magic fall
On the golden voice that
speaks within us all
For all of us waiting
Your kingdom will come
