Cowards in the grid of fear, no valor to uphold
Cut into the Earth, will honour long been sold
For all shall come to know me
As they fall unto their knees
Zeus the thunderer, control my destiny
When the cards of life were dealt
My hand a ruthless fate
To avenge, and bringeth fury, Hector feel my hate
A bloodbath I was born to bring, my birth I'm an
assassin
To cut the cord of life and death
Ties to Earth unfasten
Blood and fire death and hate, your body I will
desecrate
Dogs and vultures eat your flesh the hall the Hades
waits
Kill ...

Hector's blood lies on the battlefield
His body's mangled wounds
The Gods who once protected him are now his Gods of
doom
Like a tower standing tall, steadfast in direction I fall
upon your bringing death, the Gods give no protection
Coward in the grip of fear, no valor to uphold
Cut into the Earth, will honor long been sold
For all shall come to know me, as they fall unto
their knees Zeus the thunderer, control my destiny
Blood and fire death and hate, your body I will
desecrate
Dogs and vultures eat your flesh the hall of Hades
waits
Die die die die ...
