Fight, fight, fight

Fighting the world every single day
Fighting the world for the right to play
Heavy metal in my brain
I'm fighting for metal 'cause it's here to stay

Fighting, fighting, fighting the world
I been fighting the world
Fighting, fighting, fighting the world
I been fighting

Fight for a living, fighting the world
Fight for a living, fighting the world
Fight for a living, fighting the world
Fight

Now people keep asking if we're gonna change
I look 'em in the eye tell 'em no way
Strips on a tiger don't wash away
Manowar's made of steel not clay

Fighting, fighting, fighting the world
I been fighting the world
Fighting, fighting, fighting the world

I been fighting

Fight for a living, fighting the world
Fight for a living, fighting the world
Fight for a living, fighting the world
Fight, fight yeah

See my brother standing by my side
Only got one thing on our mind
Radio playing this nation wide
Turn it up louder 'til we all get fried

Fighting, fighting, fighting the world
I been fighting the world
Fighting, fighting, fighting the world
I been fighting

Fight, fighting the world
Fight, fighting the world, yeah
Fight, fighting the world
Fight, fighting the world

Fight for a living, fighting the world
Fight for a living, fighting the world
Fight for a living, fighting the world
