See my chariot run to your ships
I'll drive you back in the sea
You came here for gold
The wall will not hold
This day was promised to me
The Gods are my shield
My fate has been sealed
Lightning and javelins fly
Soon many will fall
We are storming the wall
Stones fall snow from the sky
We will pay with our glory
In the fire of battle

Zeus today is mine
Killing all in my way
Like sheep and like eattle
Smashing skulls of all who defy
I spake not the hammer
I spake not the sword
This day will ring with my name
None have to chase me
Let he who will face me
Kill me or die by the sword
