Warriors take the field,
Battlefield of light
You can not run,
You can not hide

I am the keeper of the laws
Decided by the gods

Only one of us will win,
And return to fight again

I am the keeper of the laws
Decided by the gods

[Chorus]:
Our ancestors cheer,
From far beyond the grave
One will survive,
Face me, then let the gods decide!

I've sworn an oath in blood to defend the land!
And all who wish to test their steel,
well here I am!

I am the keeper of the laws
Decided by the gods

[Chorus]

[Guitar solo]

[Chorus]x2

[Outro solo]

(Let the gods decide)
(What will survive)
