Every one of us has heard the call
Brothers of true metal proud and standing tall.
They know theres power within us has brought us to
this hall.

Theres magic in the metal theres magic in us all

Heavy metal or no metal at all
Whimps and posers Leave the hall.
Heavy metal or no metal at all.
Whimps and posers go on get out, leave the hall.

Now the world must listen to our decree.
We dont turn down for anyone we do just what we
Please.
Got to make it louder, all men play on Ten.
If youre not into metal, you are not my friend.

Heavy metal or no metal at all
Whimps and posers Leave the hall.
Heavy metal or no metal at all.
Whimps and posers I said, leave the hall.

Now the world must listen to our decree.
We dont turn down for anyone we do just what we
Please.
Got to make it louder, all men play on Ten.
If youre not into metal, you are not my friend.

Theres metal in the air tonight, can you hear it Call?
If you aint got the balls, to take it you can
Leave the hall

Heavy metal or no metal at all
Whimps and posers Leave the hall.
Heavy metal or no metal at all.
Whimps and posers go on get out, leave the hall.
