She is waiting to kiss my hand
But she will wait for my command
My chains and collar brought her to her knees
She now is free to please

Woman, be my slave
That's your reason to live
Woman, be my slave
The greatest gift I can give
Woman, be my slave

Before her surrender, she had no life
Now she's a slave, not a wife
Her only sorrow is for women who live with lies
She's taken off her disguise

Woman, be my slave
Chained unto my bed
Woman, be my slave
Begging to be fed
Woman, be my slave
Your body belongs to me

Woman, come here
Remove your garments
Kneel before me
Please me

Woman, be my slave
Chained unto my bed
Woman, be my slave
Begging to be fed
Woman, be my slave

Come here
Woman, woman
Woman, be my slave
I want you now
Woman, be my slave
