I don't know

Well, there's no charge for the haircut  
And the bullets come free  
My uncle Sam send a letter said  
He's got a mission for me

Now I'm a ranger not a stranger  
And I live in Saigon  
We've got a team of special forces  
And we deliver napalm

But if they tell you that I've lost my mind  
Baby, it's not gone just a little hard to find  
About the time this letter gets home  
I'd be gone, gone, yeah gone

And if they tell you that I'm F.I.A.  
Think a little less about me each day  
'Cause if I ever get back  
I'll be shell shocked, whoa  
Shell shocked, yeah

Feels funny ridin' in my car  
Used to drive a tank and shoot a B.A.R.  
I know I'm home  
But I feel gone, gone, yeah gone

Now it's over and the homeland's safe  
Got a purple heart to show the world I'm brave  
The businessmen sat home  
Well, I got shell shocked, whoa  
Shell shocked, whoa, alright

Shell shock  
Shell shock  
Shell shock
