From a battle I've come  
To a battle I ride  
Blazing up to the sky  
Chains of fate  
Hold a firey stride  
I'll see you again when I die

High and mighty alone we are kings  
Whirlwinds of fire we ride  
Providence brought us the crown and the ring  
Covered with blood and our pride

Heroes await me  
My enemies ride fast  
Knowing not this ride's their last  
Saddle my horse as I drink my last ale  
Bow string and steel will prevail

High and mighty alone we are kings  
Whirlwinds of fire we ride  
Providence brought us the crown and the ring  
Covered with blood and our pride

Odin I await thee

Your true son am I  
I hail you now as I die  
I pledge you my sword and to no man I kneel  
Ours is the kingdom of steel

High and mighty alone we are kings  
Whirlwinds of fire we ride  
Providence brought us the crown and the ring  
Covered with blood and our pride

"Kingdom Come"

See the white light  
The light within  
Be your own disciple  
Fan the sparks of will  
For all of us waiting

Our kingdom has come

Rays of power shining

Rays of magic fall

On the golden voice that speaks within us all

For all of us waiting

Your kingdom will come
