Here I am at your door  
I'm begging you to love me  
Yes, I do

I was lost in this world  
I didn't see the sun  
I felt I'd lost the one

Then a wise man came up and he said  
"I see you're sad, go back and then beg for the love  
you have"

A stranger saved my life tonight  
I need my girl I love her, oh yes I do  
A stranger saved my soul tonight  
And turned my world around  
With every heartbeat I am stronger and I know  
A stranger saved my soul tonight  
A stranger saved my life tonight

Everyday since I left  
My heart's been asking "why, did I leave?"  
And then someone told me the truth,  
It was the start  
Now I'm here and I'm giving you my heart

A stranger saved my life tonight  
I need my girl I love her, oh yes I do  
A stranger saved my soul tonight  
And turned my world around  
With every heartbeat I am stronger and I know, oh  
A stranger saved my soul tonight  
A stranger saved my life tonight

I was on my way  
To a place you cannot escape  
I was on my way to bitter and lonely  
Someone save me an hour  
I'm here again

A stranger saved my life tonight

I need my girl I love her, oh yes I do  
A stranger saved my soul tonight  
And turned my world around  
With every heartbeat I am stronger and I know, oh  
A stranger saved my soul  
(A stranger saved my soul)  
A stranger saved my life tonight

(A stranger saved my life tonight)  
(I need my girl I love her)  
A stranger saved my life tonight (yes I do)  
Saved my soul, soul, soul, saved my soul!  
(And turned my world around)  
With every heartbeat I am stronger and I know, oh  
A stranger saved my soul  
A stranger saved my life tonight  
A stranger saved my life tonight  
A stranger saved my life tonight.
