Mmmmmm Mmmmmm Mmmmm Mmmmmm
Mmmmmmm

Who's gonna love you?
Who's gonna take my
Place and stand by your side?

Kiss you and hold you?
Console you when you cry?
I'll always love you; I know.
Baby don't go!

Come closer Cara Cara Mia!
Cara Cara Mia! Love is all
We need! I swear I'm never gonna
Leave ya. Cara Cara Mia! You're the one
For me. When someone loves like I do,
Dreams can come true! So tell me tell me now!
Cara Cara Mia, how can you leave me now?

Make me believe you.
So hard for me to understand what went wrong.
I've been so certain our love was always strong.
Baby we can't move apart.
You're breaking my heart!

Come closer Cara Cara Mia!
Cara Cara Mia! Love is all
We need! I swear I'm never gonna
Leave ya. Cara Cara Mia! You're the one
For me. When someone loves like I do,
Dreams can come true! So tell me, tell me now!
Cara Cara Mia, how can you leave me now?

We can be happy again.
Don't you feel that it's burning inside? Burning inside!
We can give up on each other. I want us to try before
we say goodbye!
Come - Closer.

Come closer Cara Cara Mia!
Cara Cara Mia! Love is all

We need! I swear I'm never gonna
Leave ya. Cara Cara Mia! You're the one
For me. When someone loves like I do,
Dreams can come true! So tell me tell me now!
Cara Cara Mia, can you leave me now?
Whoa oh oh.
Cara Cara Mia... Can you leave me now!
