A child is crying on the tv screen  
Reminds us everyday of what has been  
Wars a fought without an end in sight  
The world's divided black and white

We know what's comming but no one acts  
It's time to rise up and face the facts  
If we don't try to make our move  
There will soon be nothing left to prove

Ah...  
And we don't wanna wait  
Cause the wall's gonna  
Break and we say  
Ah...  
And we all know what to do

Hold on! And reach for the sun  
One by one, we change how we're living  
Hold on! Cause it ain't over 'til it's over  
Hold on! It's never too late  
To change our faith, so don't you, let it go  
Hold on! Cause it ain't over 'til it's over

We can work it out  
Keep moving on  
We can still be strong  
Just try to get along

Another city comes tumbling down  
Another ocean makes a rumbling sound  
Our generation is stained with crime  
The next is bound to do the time

I remember what my mama said  
That our differences are all in our heads  
It doesn't matter what you've done before  
We all wanna see what the future has in store

Ah...  
No we don't wanna wait  
Cause the wall's gonna

Break then we'll say  
Ah...  
Oh, it's time we play our part

(Yeah! )

Hold on! And reach for the sun  
One by one, we change how we're living (how we're  
living)  
Hold on! Cause it ain't over 'til it's over ('til it's over)  
Hold on! It's never too late (never too late)  
To change our faith, so don't you, let it go  
Hold on! Cause it ain't over 'til it's over

We can work it out (ahh)  
Keep moving on (ahh)  
We can still be strong (ahh)  
Just try to get along (ahh)

Ohh

We can work it out (ahh)  
Keep moving on (ahh)  
We can still be strong (ahh)  
One by one, we change how we're living

Hold on! And reach for the sun  
One by one, we change how we're living (change how  
we're living)  
Hold on! Cause it ain't over 'til it's over (over 'til it's  
over)  
Hold on! It's never too late  
To change our faith, so don't you, let it go (don't let it  
go)  
Hold on! Cause it ain't over 'til it's over

We can work it out  
Keep moving on  
We can still be strong  
Just try to get along

Ohh

We can work it out  
Keep moving on  
We can still be strong  
Just try to get along

We can work it out  
(Ahh, ahh)  
Keep moving on

(Ahh, ahh, ahh, ahh)  
(Ahh, ahh)
