I'm gonna take my suitcase
Pack things right
Gotta find my way and do it
Today and not loose sight
I long for her touch
And I long for her smile

I'll take the next flight
Back to be with my girl
I will pray say please
And get on my knees
She rules my world
I will give here all she
Ever wanted me to be
She'll see

Ooooo
I don't wanna stay here anymore
I just got to get home
I don't wanna miss your love, no more
I just got to get home
Without you I'm as lonely as can be
Tell me that you need me
I don't wanna stay here anymore
I just got to get home

(Got to get home)
(Got to get home)

I've tried to close my eyes
So I couldn't see
Tried to find a way
To put it away far from me
But a heart that's missing love
Can't live, no more

Oooo
I don't wanna stay here anymore
I just got to get home
I don't wanna miss your love, no more
I just got to get home
Without you I'm as lonely as can be

Tell me that you need me
I don't wanna stay here anymore
I just got to get home

(I don't wanna stay here anymore
(I just got to get home)
(I don't wanna miss your love, no more)
(I just got to get home)

A lovers heart will never forget
Tell me that you need me

(Got to get home)
I don't wanna stay here anymore
I just got to get home
I don't wanna miss your love, no more
I just got to get home
Without you I'm as lonely as can be
Tell me that you need me
I don't wanna stay here anymore
I just got to get home
