Violently, falling for destiny
It should be you and me
Riding horizons, invisibly
Creating a harmony
A path for you and me
The world's at our feet

So come fly
Welcome to my paradise
Where the heaven ends
That's where love begins
Don't cry
Welcome to my paradise
Feel your loving grace
In your warm embrace

I believe, I was destined
To be with you, to fight for you
To die for you, reminding me
Will you set me free
Your love is mine to keep
I'll never lose you

Ohh

So come fly
Welcome to my paradise
Where the heaven ends
(Where the heaven ends)
That's where love begins
Don't cry
Welcome to my paradise
Feel your loving grace
(Feel your loving grace)
In your warm embrace

As the river flows through land
As the water glows in sun
That's how far that we have come

So come and let us fly
Welcome to my paradise

Where the heaven ends
(Where the heaven ends)
That's where love begins
Don't cry
Welcome to my paradise
Feel your loving grace
(Feel your loving grace)
In your warm embrace

Come fly
Welcome to my paradise
Where the heaven ends
(Where the heaven ends)
That's where love begins
Don't cry
Welcome to my paradise
Feel your loving grace
(Feel your loving grace)
In your warm embrace
