Here me calling, I'm free falling  
What is wrong and right now  
Lord I need some light now  
Show me, am I, living a lie  
Was it all for glory  
That I wrote my story

(Ahh, ahh, ahh, ahh)  
(Ahh, ahh, ahh, ahh)

I've been trying  
Always fighting  
Thought it made me stronger  
Now I fight no longer

(Ahh, ahh, ahh, ahh)  
(Ahh, ahh, ahh, ahh)

There's a boy I used to know  
He was different from me  
There was nothing that he  
Thought he couldn't do, no no  
There's this boy I used to see  
Now I see him no more  
If he's gone forever  
I don't wanna know

Don't know when it, really started  
Was it my one way out  
From the broken hearted  
Growing older made me colder  
As I lost direction  
Struggling for perfection

(Ahh, ahh, ahh, ahh)  
(Ahh, ahh, ahh, ahh)

There's a boy I used to know  
He was different from me  
There was nothing that he  
Thought he couldn't do, no no  
There's this boy I used to see

Now I see him no more  
If he's gone forever  
I don't wanna know

I'm wide open now  
I'll make it somehow  
Let go of my defenses  
Floating through the air

Oohhhh...

There's a boy I used to know  
He was different from me  
There was nothing that he  
Thought he couldn't do, no  
There's this boy I used to see  
Now I see him no more  
If he's gone forever  
I don't wanna know

(There's a boy)  
(I was here)  
(He had to go)  
He had to go  
(There's this boy)  
(I used to see)  
If he's gone forever  
I don't wanna know

I don't really wanna know
