

Måns Zelmerlöv "Whole New World"

Visit "[Whole New World](#)" on MotoLyrics.com

Every moment we wake up
Every moment you smile at me
I'll be wishing for a contribution
To my you fund
Just to keep you smiling at me

There's no kiss and make up
We'll there's some make-up
But it's on you skin
What I'm trying to say here
Ain't no fighting, criminalizing
Wondrin' what the hell I didn't do

Oh babe I'm bounding around
Just the thought of you
Makes my body tremble, it's true

It's a whole new world
And I never wanna find
My way back again
It's a whole new world
And I'm trying to understand
How this could happen
Cause baby when you're around
It's a whole new world

It's a whole new world

Listen baby it's bedtime
Already longing for sunrise
I'll be lying with my eyes wide open
Wishing and hoping
You'll wake up and smile at me too

Imagining paradise
Must be something like my life
I tell you I'm like Adam with an exception
Eating the apple but I'm keeping it too

Oh babe I reckon with time
We'll grow older too
But my wrinkles will look better with you

It's a whole new world
And I never wanna find
My way back again
It's a whole new world
And I'm trying to understand
How this could happen
Cause baby when you're around
It's a whole new world

Lovin you 'til the end of time
(And I know it's forever)
Looking into those sparkling eyes
And I feel, that this fling, is for real and now

We're in a whole new world
And I hope that you don't
Wanna go back again

It's a whole new world
And I never wanna find
My way back again
(It's a whole new world)
Ooohhh...
(And I'm trying to understand)
(How this could happen)

It's a whole new world
And I never wanna find
My way back again
It's a whole new world
And I'm trying to understand
How this could happen
Cause baby when you're around
It's a whole new world

It's a whole new world
It's a whole new world
