For you  
I will be a ghetto jew  
And dance  
And put stockings on my limbs  
And poison wells  
Across the town  
For you  
I will be a banker jew  
And bring  
To ruin and old hunting king  
And end his line  
For you  
I will be a Broadway jew  
And cry in theatres  
For my mother  
And sell bargain goods  
Berneath the counter  
For you  
I will be a doctor jew  
And search  
In all the garbage cans for foreskins  
To sew back again  
For you  
I will be a dauchau jew  
And lie down in lime  
With twisted limbs  
And bloated pain  
No mind can understand.
