

Circle Of Dust "Prayers Of A Deadman"

Visit "[Prayers Of A Deadman](#)" on MotoLyrics.com

At night I just stare amid my self-destructive toys
Shouting to the sky is anyone up there
My eyes drip blood red a vow once made
I've come to dread this shame
This guilt I bear is killing me stone dead

Dead man

Something to regret a chance point in time we met
Caught in a momentary rush of devotion
My eyes drip blood red a vow once made
I've come to dread this shame
This guilt I bear is killing me stone dead

Dead man

Now I lay me down to sleep
I pray the lord my soul to keep
If I should die before I wake
This dead man's prayer do not forsake

Pray dead man

"Our objective is to save a life. If one life is saved we
have accomplished....."

".... you men, we kill each other"

"I'm tired of endless mindless fighting, I'm tired of
death."
