Call me when it's over, when it's time to fade away
Cause I got bruises I won't let you see
We were never friends and, man, I swear that that's
okay
I always knew the truth, but tried so hard not to believe

But I found out every word they ever said was true
And I want it back, those sleepless nights I gave to you

Call me when it's over, I'll come by and get my things
Won't look in your eye, yeah, I'll stay out of your way
Well god is dead and there are no reasons I should
sing
But I still do it anyway, yeah, I am singing all the same

But I found out every word they ever said was true
And I want it back, those sleepless nights I gave to you

What about me?
Ah just forget it, it's not that big of a deal
It's not that big of a deal to me
