Shop at Kwik Save and you make a good saving  
Difference in prices is truly  
Amazing  
Chips from the freezer come in very big portions  
Down our end you  
Get fantastic reductions

#### BRIDGE

You're a cheeky sod  
You've changed  
The odds  
Well if that's what you want

#### VERSE 2

Get your op, you'll be  
Shopping in Sainsbury's  
Look so good all the people won't phase you  
They'll  
All be looking at you spending a fortune  
Like the second coming with a much  
Better hairdo

#### BRIDGE

You're a cheeky sod  
You've changed the odds  
Well if that's what  
You want

#### CHORUS

Kiss me, hit me, do what you want to me  
Kiss me, lick  
Me, do what you want to me now  
'Cos I'll be leaving soon

#### VERSE 3

Look in  
The mirror and you see you are perfect  
Pity 'bout the scar that is hidden  
Below deck  
Just like new 'cos your change is so drastic  
Stay in the shade  
'cos you're just made of plastic

#### BRIDGE

You're a cheeky sod  
You've  
Changed the odds

Well if that's what you want  
CHORUS  
Kiss me, hit me, do  
What you want to me  
Kiss me, lick me, do what you want to me now  
I'll be  
Leaving soon  
Kiss me, hit me, do what you want to me  
Kiss me, lick me, do  
What you want to me now  
I'll be leaving soon  
FILL  
Don't look twice  
'Cos you've got different eyes  
Than the ones that were  
Fine  
That you could see though  
Don't look twice  
'Cos you've got  
Different thighs  
Than the ones that were fine  
That you could sit through  
CHORUS  
Kiss me, hit me, do what you want to me  
Kiss me, lick me, do what  
You want to me now  
I'll be leaving soon
