Yes I'm sick of this
England's shit
It's slashing down
We are drowned
Star is here
Drinking beer
Star is scrawled
On my wall
C.i.d.
They follow me
I kidnap star
In my car
A t.v.r.
We'll drive to prague
And stop at mars
And we'll be

Taking star, oh yeah, to l.a.
We'll drive to vegas for the day
We want to sit, oh yeah, in the sun
And take it easy
Take it easy

Mam's got cake
Belly ache
Feeling sick
Through kuwait
Stole a tank
Drove to france
Star's amazed
In a trance
M53
Hit a tree
Crashed my car
I killed star
Stowaway
On a ship
Dodge the pigs
What a trip
