He'll be your taxloss lover from liverpool  
Taxloss lover if the truth be told  
Taxloss lover still lives in the war  
Taxloss lover touching 74  
Ah, come back to me  
We want your money, taxloss  
We think you are stupid  
We give you money 'cos our assets are fluid yeah  
We'll sell you down the river  
Just remember that we said we'd deliver you

Sign on the line and we'll give you the money  
And then you'll be mine and we'll fly somewhere sunny  
And you'll quibble that our drivel seems unsatisfactory  
You're a taxloss, come back to me  
We want your money, taxloss

He'll be your taxloss lover and his name is bert  
Taxloss lover and he's always a flirt  
Your taxloss lover into kinky sex  
Your taxloss lover wears a cracking dress

Sign on the line and we'll give you the money  
And then you'll be mine and we'll fly somewhere sunny  
You'll quibble that our drivel seems unsatisfactory  
We're a taxloss, come back to me  
We want your money, taxloss

Sign on the line and we'll give you the money  
And then you'll be mine and we'll fly somewhere sunny  
And you'll quibble that our drivel seems unsatisfactory  
A taxloss, come back to me  
We want your money, taxloss

Taxloss, mod rock  
Junk pop, chart hop  
Mop top, swap shop  
Who'd you nick your cliché off
