I'm not getting sleep at night  
My insomnia's a pain  
Problems I create myself  
I drag here from the day

Harsh words, I keep them to myself  
Hearing my problems, serves to destroy  
I'm a case for us all

Deserving what I get  
(Deserving)  
Deserving what I get  
(Deserving)

I'm deserving what I get  
(Deserving)  
Deserving what I get

There's such joy in wasting time  
An achievement, not at all  
My destructive side again  
I'm pleased with what I've done

Harsh words, I keep them to myself  
Hearing my problems, serves to destroy  
I'm a case for us all

Deserving what I get  
(Deserving)  
Deserving what I get  
(Deserving)

Deserving what I get  
(Deserving)  
Deserving what I get  
Deserving what I get  
(Deserving)

Deserving what I get  
(Deserving)  
Deserving what I get  
(Deserving)

Deserving what I get

Oh, oh, oh, ah
