Feed this insect inside me  
Watch my time dripping off from the walls  
This silence and stillness  
Like a glove with the fingers withdrawn

Sympathy leaves in the cold  
Look for an exit but they're closed  
Brief fabrication of what I know

I'm hiding my sickness  
No motion, no feeling  
The king of beauty  
Leaves this building, yeah

I'm hiding my sickness  
No motion, no feeling  
The King of beauty leaves this building  
Living in a body bag  
I'm waiting, I'm waiting

Resurrection of memory  
All the things I remember I hold  
A virtual impression  
Of a life that I'm building alone

Sympathy leaves in the cold  
Look for an exit but they're closed  
Brief fabrication of what I know

I'm hiding my sickness  
No motion, no feeling  
The king of beauty  
Leaves this building, yeah

I'm hiding my sickness  
No motion, no feeling  
The king of beauty leaves this building  
Living in a body bag  
I'm waiting, I'm waiting

I'm hiding my sickness  
No motion, no feeling

The king of beauty  
Leaves this building, yeah

Hiding my sickness  
No motion, no feeling  
The king of beauty leaves this building  
Living in a body bag  
I'm waiting, I'm waiting

I'm hiding my sickness  
No motion, no feeling  
The king of beauty leaves this building  
Living in a body bag  
I'm waiting, I'm waiting

I'm hiding my sickness  
No motion, no feeling  
The king of beauty leaves this building  
Living in a body bag  
I'm waiting, I'm waiting

Hiding my sickness  
No motion, no feeling  
The king of beauty leaves this building  
Living in a body bag  
I'm waiting, I'm waiting
