Verse One I'm gonna sit my own
Maybe all alone
I'm gonna lie on the couch
'cause I won't go out
She'll take it easy again
Ending up in hell
Just like the scum of the earth
But I crashed here first
Chorus We're all in this together
Ski Jump nose forever
yeah, oh, ooh
Say we're gonna keep it together
yeah, ooh
Say we're gonna keep it together
yeah, ooh
I don't wanna talk about it
Verse Two She's gonna get herself out
from her plastic town
She's gonna get out her house
gonna get down south
She'll take it easy again
She'll end up in hell

She's only playing a game
change her name again
Chorus We're all in this together
Ski jump nose forever
We're all in this together
Ski jump nose forever
We're all in this together
Yeah, oh, ooh
Say we're gonna keep it together
yeah, ooh
Say we're gonna keep it together
yeah, ooh
I don't wanna talk about it
Outro Nik nak paddy wak, Chad's got an
