"The Most To Gain"

I know you're different from
The boys who went to school
Once again you've reached the point
Where you could walk into the road

Ah, ah, ah, ah, ah, ah, ah, ah
You've got the most to gain
Ah, ah, ah, ah, ah, ah, ah, ah
You would do anyway
Ah, ah, ah, ah, ah, ah, ah, ah
The most to gain, oh, oh

I fear your shape
Must be proportional to grace
Once again the one to turn to
Is the one with most to gain

Ah, ah, ah, ah, ah, ah, ah, ah
You've got the most to gain
Ah, ah, ah, ah, ah, ah, ah, ah
You would do anyway

Ah, ah, ah, ah, ah, ah, ah, ah
You've got the most to gain
Ah, ah, ah, ah, ah, ah, ah, ah
You would do anyway

Ah, ah, ah, ah, ah, ah, ah, ah
You've got the most to gain
Ah, ah, ah, ah, ah, ah, ah, ah
You would do anyway
Ah, ah, ah, ah, ah, ah, ah, ah
The most to gain, oh, ooh
