This age of narrowed thoughts
is the worst time to be born

You were born without the right
born without a veil
without the chances to fight

You were born in the damn moist
were born in the dark
without opinion or voice

You were born in endless debt
born into a world
that'll never be correct

You were born just to be seized
you didn't come to be pleased
as you're known as a disease
by the system...

As this age of narrowed thoughts
is the worst time to be born

You were born as a slave
you were born without the right
until you stand in your grave

You have nothing to attend
nothing to receive
just to be condemned

Born without your land
buried to the ground
chained to your sand

Born without your freedom
laid and catalogued
as just another syndrome
by the system...

As this age of narrowed thoughts
is the worst time to be born
