When it all began
I am sure I ran
All the time I spent
Making worries bend
I was so alone
But I held out a gun
Now, I have no fear
And all that I can hear
Is a bullet in me

Making me agree
that all I have is to see
Standing on my knees

I have a Bullet in me

Leave it all & drown
make it to the ground
My head is still a mess
But it wasn't just the stress
It's time for my revenge
shoot with all my range
Count from 1 to 3
But time has come for me
A bullet in me

Making me agree
that all I have is to see
Grab the wheel and steer

A bullet in me

Making me agree
that all i have is to see
A life is not for free

I've got a bullet in me
