"If"

After 2 years of knowing you
i still have my doubts
Suddenly you break through
and you ram into my mouth
and then again you claim for help
for something you have done
and you begin to complain yourself
and hold onto the phone

if i were you
i wouldn't be here
if i were you
wouldn't view rear
cause this is it
blood on my seat
you took the fleet
that i wouldn't meet

Before the time of knowing you
i didn't knew your mood
but it seems that you've lost one screw
and now you're in lude
and then you talked of living death
that i wanted to forget
and then you made me lose my faith
for things that i regret

if i were you
i wouldn't be here
if i were you
wouldn't view rear
cause this is it
blood on my seat
you took the fleet
that i wouldn't meet
