Olympic timing
Imperial fighting
Symmetric landing
Aerial mining

A long time ago
a foe
attacked me really bad
my back
i thought i was alone
but wrong
you saved my life from death
now breathe....
now breathe....
now breathe....

I owe you
And you know it
I owe you
And you know it
I owe you
and i know it
i bow
before you
and you own me

You held out your hand
to land
and prevented all tha pain
not vain
i'll do something for you
one day
i'm sure i'll compensate
your attempt...
your attempt...
now breathe...

I owe you
and you know it
i owe you
and you know it
i owe you

and i know it
i vow
before you
and you own me
