"Peer Pressure"

Lately you haven't said much
Maybe you ran out of luck
If something's going wrong
Tell me I'll be here for long

Cause i know its peer pressure
that is keeping you down
But they don't measure
That you're going to drown

Just don't listen
just don't care
close those eyes and
decline that dare
Just don't go through it
Just keep away
Beat them to it
Just get away
Just get away
Just get away

I know those so called friends
What are they fighting against?
They try to brainwash you
they try to intimidate you

i know you're pretty strong
you'll surely not obey
Keep it all along
Cause it's not ending today

Just fight back
You'll end intact
Close your mind and
Know the fact
Just don't go through it
Just keep away
Beat them to it
Just get away
Just get away
Just get away
