The veil of murderers
is complaining for them
And time travelers
are changing the anthem
You'll turn anonymous
You'll turn anonymous

The gap between the spice
Your fulfilling bitterness
The turning golden fries
And leave it to the press
You'll turn anonymous
You'll turn anonymous

And you'll live in disguise
You'll not get despise
Your name will be untamed
The face of the unnamed

Condemn the life of treasures
And look for the skin
And quit the scence of pleasure
That'll end up in sin
You'll turn anonymous
You'll turn anonymous

The glaring point of views
of people you had met
Well hide and burn the truth
And place you on reset
You'll turn anonymous
You'll turn anonymous

And you'll live in disguise
You'll not get despise
Your name will be untamed
The face of the unnamed

You'll turn anonymous
You'll turn anonymous
And seek a life for us
And seek a life for us
