Another random picture
taken yesterday
away
Another ending lecture
teach me what to say
to say
The game will not begin
you're not going to win
again
A chaotic point of view
will deny it's self esteem
let in
let me in
let me inside
your eyes
your being

Go and look for shelter
for your widom
to let in
let me in
let me inside
your eyes
your being

Let me in
Let me in
let me inside
Your eyes
Your being
