Weâ€™re desperate in common
In spite of our names
Glowing in a room of Christmas lights and candle
flames
Weâ€™re sick starting over
Missing our cues
If promise rings on ancient strings
Ainâ€™t no one got a clue

â€˜Cause oooh lover
I only sing for you
So what if weâ€™re outta tune
With the rest of the world

Weâ€™re humming in circles
Cleaning our plates
Dreaming out our choruses
And slow sad middle eights

A tenner between us
And nothing to lose
By leaving everyone behind us
Silent and confused

But oooh lover
They ainâ€™t me and you
So what if weâ€™re outta tune
With the rest of the world

So come on darling stay with me
Letâ€™s cut through the crowd
Make the most of being lost
In what time weâ€™re allowed

Weâ€™re desperate in common
And missing the jokes
Rollinâ€™ through the eyes of snakes
And in the rings of smoke
Straininâ€™ our voices
To no consequence
Cause maybe baby loves the cost of our irrelevance

And ooh lover
That's all I want to do
So what if we're outta tune
With the rest of the world
