Care free we gravitate toward the evening hours  
Dirt poor we don't want no more  
Down the street we kinda meet by bodega flowers  
Half the time we will have a time

Don't expect much these days, buddy  
Coupla beers and life is so funny  
You'll be coming back sooner or later  
And we'll be waiting for you

Tied hands we make our plans on a leather perch  
Pretty eyes we can tell no lies, no lies  
Kick start our traveled hearts in the evening hours  
Fall asleep with the TV on

Don't expect much these days, honey  
Coupla beers and love is so funny  
You'll be coming back sooner or later  
And we'll be waiting for you
