"Bridge Of Sorrow"

Sweet rain of sorrow
falling on no one,
as love is left behind by life's relentless passing.
An endless story
of broken heroes
and dreams that crumble
like castles in the wind.

A bridge of sorrow
that leads us nowhere,
a night as empty
as the promise of tomorrow.
Echos of memory
falling behind me,
a foolish heart
no man could ever win.

A bridge of sorrow
that leads us nowhere,
a night as empty
as the promise of tomorrow.
Lost in illusion,
taunted by reason,
torn between a world that is
and all that might have been.

Sweet rain of sorrow
falling on no one,
as love is left behind by life's relentless passing.
An endless story
of broken heroes
and dreams that crumble
like castles in the wind.

A bridge of sorrow
that leads us nowhere,
a night as empty
as the promise of tomorrow.
Echos of memory
falling behind me,
a foolish heart

no man could ever win.

A bridge of sorrow
that leads us nowhere,
a night as empty
as the promise of tomorrow.
Lost in illusion,
taunted by reason,
torn between a world that is
and all that might have been.
