If someone would lend a hand,
then someone else might make a stand.
If someone would take the time,
then somebody else might open their eyes.

So many someones standing in the dark,
so many teardrops,
so many broken hearts.

Angels falling from a sunless sky,
but no one knows why.

Somewhere or sometime,
if someone
would see the signs,
somewhere,
someday,
yeah, somehow
we'd find a way.

One chance, gotta take it,
don't let it slip by.
One life, gotta wake up,
gotta learn how to fly.
One world, we'll make it
if we give it a try.
One step, let's take it,
got a mountain to climb.

Shadows falling on a distant shore,
as a blind dog howls and thunder roars.
Children beg for shelter from the storm,
a red rain is falling in the garden of hope.

One chance, gotta take it,
don't let it slip by.
One life, gotta wake up,
gotta learn how to fly.
One world, we'll make it
if we give it a try.
One step, let's take it,

got a mountain to climb.

Try,
try to remember why,
open your eyes and see
something you used to be,
be someone.

Something you used to be,
be someone,
be someone.
