It was the morning after the month before
And Im looking like a nose with eyes
Take a trip or letter to make me feel better
Cos I know my mirror never lies

Have you ever had the feeling that your lifes down the
can
And the hand that holds the whip is not your own
Your breakfasts going cold and your routines getting
old
Is it me that's feeling insecure?

Hiding in the darkness where they can't see your eyes
In a naked city cinema
Watch the bodies rolling around on the screen
And nobody gives a damn who you are

Youre surrounded by the bitter and the boring
And you wonder if you're on the turn
And again you get hurt when they're dishing the dirt
Is it me that's feeling insecure?

I haven't got time to worry about the future
When Im busy covering up my past
Start to consider a tuck behind the ears
When I wonder if my looks will last

I could hit the bottle and the depths of despair
But come up fighting like the best
And I can tell myself that Im winning the war
But then again Im different than the rest

Im not the hardest person in the world
But like the song says i will survive
And I may be a wreck and a pain in the neck
But at least I feel that Im alive

So I'll spit in your face and push you over the place
If Im ever feeling so unsure
And you can really go to hell if you give me the soft sell
Its not me that's feeling insecure
