You say Im your mystery
Please dont ever solve me
Because I wont be a mystery anymore
Somethings holding my breath
Strikes the moment down
Gives me greater heights to reach

Sensual
Seriously sensual
We are all in search of the sensual
Eros
Erotomania
Brings ecstasy, ecstasy, ecstasy

Little lover
Lets explore a little while
Dance upon my heart
Take me on, you say
Ill be your mystery
Well unveil a little more each time
A little more

Sensual
Seriously sensual
We are all in search of the sensual
Eros
Erotomania
Brings ecstasy, ecstasy, ecstasy

Do I ever feel tired?
I answer yes each time
It takes a little more to feel inspired
Im a teardrop in a storm
A storm at the end of the world
I love you
Id love you if you werent you at all

Sensual
Seriously sensual
We are all in search of the sensual
Eros

Erotomania
Brings ecstasy, ecstasy, ecstasy

My room is flooded blue and green
Its completely real this dream seems
I need you
Or I need somebody now
This hurt it takes me to the edge
The moment when I taste my breath
Sweet with fear
And near to death
A kiss tastes sweeter on the brink of life
On the brink of life

Sensual
Seriously sensual
We are all in search of the sensual
Eros
Erotomania
Brings ecstasy, ecstasy, ecstasy

You say Im your mystery
Please dont ever solve me
Because I wont be a mystery anymore
Somethings holding my breath
Strikes the moment down
Gives me greater heights to reach
